Terms and Conditions:

Last updated: 16th Oct 2016

Throughout this agreement the person or the team of people who will use the Source Code (partly or whole) written for the Mobile application on Android platform called “VIT Slate” (first version developed by Kalista Works), will be referred to as “Downloader” and the person who will be using any of the version(s) of VITSlate application is referred to as “End User”. This Agreement is signed between the Downloader and Kalista Works. **For downloading the complete Source Code for VITSlate or using any part of it for creating any Mobile application or for creating any Mobile application which is similar to it, on either iOS or Android platform, the Downloader agrees to accept the Terms and Conditions of this Agreement. Any situation in which the Downloader fails to comply with the Terms and Conditions of this agreement, will give Kalista Works complete legal right over the Mobile application developed by the Downloader.**

1. Name should be VITSlate:

- The Downloader agrees to use the name ‘VITSlate’ for the next version(s) of mobile application he/she is developing and planning to launch either on Google PlayStore or Apple iTunes Store for public use.
- Downloader can append the version name to ‘VITSlate’, if he wishes to do so.

2. Course Material Downloading:

- Downloader agrees not to remove, in any case, the Course Material Downloading Function in the mobile application.
- The Downloader accepts that the Course Material Downloading functionality, makes VITSlate app unique and this feature should always remain an integral part of the app.

3. Team section:

- Downloader agrees to include a Team Section in the Mobile application which should include the names of the current team members who worked on current version of the VITSlate application and also the names of the team members who in the past worked on the previous versions of the VITSlate application.
- The Downloader agrees to use decent pictures of tiny size and to mention brief details of the current team members in the Team Section.

-
- Downloader also agrees not to change any of the names and facts (for eg. branch, behavioral qualities, birth date etc) about the previous team members at will. In any case, if the Downloader wishes to change/edit the name or factual information of previous team members, he must first consult Kalista Works for the same.
 - If the Downloader wants to remove any other generic information of the previous team members, he is free to do so.

4. No Ads:

- Downloader is strictly prohibited to use any form Advertisement(s) (personal or organizational) in the mobile application.
- Downloader should aim for interruption free app experience for the End User.

5. Security of data:

- Downloader should take utmost care to ensure data privacy and security for the End User.
- It is Downloader's responsibility to ensure that User's sensitive data (Student Registration number and Password) is used securely and safely.
- Downloader is not allowed to have any access to the End User's sensitive data in whatsoever way or to collect and store the data at any place.
- If the Downloader wishes to use any of the End User's Registration Number or Password for testing purposes or for ensuring smooth running of VITSlate application, he is free to do so, with the consent of the End User whose sensitive data he wishes to use.
- Case of any misuse of the End User's data will be solely be the Downloader's responsibility and he shall be liable for the same. Neither Kalista Works nor the previous team members who worked on the VITSlate application (or any of its version(s)) shall not be accountable for the same.

By agreeing to the above mentioned Terms and Conditions the Downloader is free to download, edit or modify the Source Code of VITSlate in whichever way he finds appropriate.
